About Happy Hoops Basketball

Happy Hoops Basketball is a local business that aims to teach children a variety of basketball skills in a positive and caring environment. Through our clinics we aim to develop children's co-ordination and motor skills, improve their self discipline & concentration and promote team building.

The experienced coaching staff at Happy Hoops have been running basketball for over 5 years. Our coaches tailor clinics to suit the skill level of the children. We offer personal training which focuses on developing a specific skill set or teaching the basics of basketball to children that haven't spent time on the court.

At Happy Hoops we aim to:

- Encourage to team work
- Develop ball handling skills and hand to eye coordination skill
- Create a supportive and positive learning environment

Happy Hoops runs School Holiday programs, school programs, specialised skill session and our very popular Little Hoops programs for children from 4-7 years. Visit our website for more information on any of our programs.

Experienced Coaching Staff

The Head Coach and Assistant Coaching staff at Happy Hoops have been playing and teaching basketball for over 20 years in the local community. Our experienced coaches have coaching accreditation, first aid and working with children's check.

For more information on Happy Hoops simply visit our website www.happyhoopsbasketball.com.au, call **0425 198 773** or follow us on Facebook.
